Throughout the year, Surfrider Pacific Rim organizes community beach clean ups, remote shoreline cleanups, and supports surf competitions and other events on the beautiful beaches of Pacific Rim. These events are a wonderful opportunity to give back to the ocean, meet people in your community, and have a great time on the beach!

Events are single use plastic free, provide education on zero waste as well as information on current campaigns and programs. Please bring your reusable vessels for free refreshments and treats, ride your bike to events when possible, and bring a new friend! Gloves and buckets provided.

Details for meet up locations, and times for events will be confirmed on the website // [pacificrim.surfrider.org/events-calendar/](https://pacificrim.surfrider.org/events-calendar/). To volunteer or request remote info contact [volunteercoordinator@pacificrim.surfrider.org](mailto:volunteercoordinator@pacificrim.surfrider.org).

Be the best Love Your Beach Clean Ambassador by collecting litter or debris everytime you visit the beach! Remember to tag Surfrider Pacific Rim whenever sharing photos!

'Love Your Beach Clean' is proudly sponsored by Jamie's Whaling Station.
